

PRESS RELEASE SYNOD OF THE PACIFIC

Date: June 28, 2009
To: Commissioners and Presbyteries of the
Synod of the Pacific
From: Pacific Mission Exchange Task Team

Subject: Pacific Mission Exchange Website Generates First Large Dollar Donation

The first large dollar donation (\$500.00) was received through PMX in May, for a project of the Presbytery of San Jose. 100% of this donation was forwarded to the Presbytery of San Jose for the project.

“It is so exciting that the pacificmissionexchange.org website, that has not yet been officially launched, can generate enough interest to receive a donation of this size. Smaller donations have also been received.” reports Kathy Trott, PMX Administrator

Pacific Mission Exchange is moving toward a late summer public launch. The site is working and donations can be made to projects.

You can help prepare PMX for a very successful launch by submitting:

PROJECTS, PROJECTS, and more PROJECTS
Big ones, little ones, presbytery ones, church ones, church supported community projects
Email or call Kathy Trott at kathytrott@e-trott.com, (530) 312 -0100 for instructions.

When PMX launches you can . . .

Encourage presbyteries, churches, anyone to put the web link for PMX on their website.
Use the bulletin inserts regularly.
Email the announcements to churches, presbytery commissioners and pastors.
Churches can email PMX announcement to their congregants.
Keep PMX at the forefront of presbytery and church newsletters, etc.
Put the PMX weblink anywhere it makes sense. It can even be on letterhead.
Invite mission committees, fellowship groups, youth groups, classes, small groups, everyone to check out the PMX site. Make a test donation.
Use PMX for mission ideas for your groups.

Keep checking in at www.pacificmissionexchange.org and see what's new.
